

Forum on Promoting Article 6 Business Engagement and Matchmaking through the Joint Crediting Mechanism (JCM) in Mongolia

Date and Time: February 27, 2026

Location: Event Hall, Ulaanbaatar Hotel, Mongolia

Objectives:

- Showcase decarbonized technology and solution providers from Japan and Mongolia that could fit for future JCM projects in Mongolia.
- Clarify the relevant requirements and procedures to develop JCM projects for the private sector.
- Facilitate the development of concrete JCM projects in Mongolia.
- Provide opportunities for direct engagement with government counterparts and investors to streamline project implementation to contribute to Mongolia's NDC.

4. Organizers:

- Ministry of the Environment, Japan (MOEJ)
- Ministry of Environment and Climate Change, Mongolia (MECC)
- Ministry of Energy (MOE)
- Embassy of Japan in Mongolia
- JCM Implementation Agency (JCMA)
- Overseas Environmental Cooperation Center (OECC)
- Paris Agreement Article 6 Implementation Partnership (A6IP) Center, Institute of Global Environmental Strategies (IGES)

5. Cooperating organizations:

- United Nations Development Programme in Mongolia
- Japan International Cooperation Agency (JICA) Mongolia Office
- Mongolian Chamber of Commerce and Industry Japan (Japanese side private sector)
- The Business Council of Mongolia (Mongolian side private sector)

6. Expected participants

- Mongolian and Japanese companies are interested in participating in JCM
(*Approx. 150–200 participants*)

7. Focus Area of Technologies and Project Types

- Renewable energy (hydro, wind, solar, hydrogen)
- Energy efficiency (high efficiency boilers, heat pumps, reduced electricity and heat transmission and distribution grid losses, combined heat and power plants, etc.)
- Waste to energy
- Livestock (rotational grazing, control of the livestock number, livestock manure management)
- Forestry (restoration of forest)
- Other hard-to-abate sectors and high-impact mitigation sectors, including transportation and construction, and industrial processes and product use

8. Language:

- **Plenary sessions:** English and Mongolian (simultaneous)
- **Business matching meetings:** English only

9. Tentative Agenda

Time	Program	Speakers and Presenters
09:00-09:45	Participant registration	
09:45-10:00	Opening remarks	Mr. Bat-Ulzii B Director General, Policy planning department, MECC
	Opening remarks	Mr. Kondo Kazumasa Deputy chief of Mission, Embassy of Japan in Mongolia
	Opening remarks	Mr. Tatsuya Yanase Director for Sustainable Infrastructure, Office of Director for International Cooperation for Transition to Decarbonization and sustainable Infrastructure, MOEJ
10:00-10:20	Japan's Approach to Article 6: The Role of the Joint Crediting Mechanism and Its Latest Progress	Mr. Keitaro Tsuji Director for JCM Office, MOEJ *Online
10:20-10:40	Mongolia's Participation in Article 6 and its expected contribution to NDC ambition – Use of Article 6 under the NDC Action Plan and Article 6.2 authorization criteria and process	Ms. Narangaravuu Altangerel Senior Analyst, Policy planning department, MECC
10:40-10:55	Mongolia's Energy sector policy and Renewable energy development: Current progress and Future directions	Mr. Ariunbold Sukhbaatar Senior Analyst, Policy and Planning Department, Ministry of Energy
10:55-11:00	Photo Session	
11:00-11:15	Coffee Break	
11:15-11:30	Overview of the international carbon markets and the JCM implementation in line with Article 6	Mr. Natsuru Toda A6IP/IGES
11:30-12:00	Q&A	
12:00-12:45	Company Presentations: JCM-Relevant Project Concepts from Japan and Mongolia (Part 1) This session will showcase concrete project examples and technologies from both Japanese and Mongolian companies that are well-suited for implementation under the JCM.	

12:00-12:15	Japan Fund for the Joint Crediting Mechanism (JFJCM)	Mr. Shohei Okano Asian Development Bank
12:15-12:30	For Greener Future in Mongolia	Mr. Erdembileg Tsedev Naanovo Green Energy Mongolia LLC
12:30-12:45	Toward Triple Benefits for Air, Climate, and Land in UB: A Hybrid Waste Treatment System Optimized by Composition Data	Mr. Kenichi Maekawa X Research Institute Ltd. *Online
12:45-13:40	Networking Lunch	
13:40-14:40	Company Presentations: JCM-Relevant Project Concepts from Japan and Mongolia (Part 2)	
13:40-13:55	Overview of MC's initiative under JCM	Mr. Yoshihiko Akiyama Mitsubishi Corporation
13:55-14:10	Everyday Farm LLC	E.Munkhbayasgalan Chief Operation Officer
14:10-14:25	Introduction of Distributed Heat Sources for Peak Load Operation in Ulaanbaatar's District Heating System	Mr. Tsogoo Ulziisaikhan Ulaanbaatar District Heating Company
14:25-14:40	Proposal for Introducing Ground-Source Heat Pump Heating Systems in Mongolia	Mr. Yoshiro SHIBA Zeneral Heatpump Industry CO., Ltd. *Online
14:40-14:45	Key Takeaways and Session Summary Summary of key opportunities and matching potentials	Mr. Natsuru Toda Article 6 Implementation Partnership (A6IP)
14:45-14:50	Guidance for business matching and individual meetings	Ms. Haruka Aoki Overseas Environment Cooperation Center (OECC)
14:50-15:00	Coffee break	
15:00-17:30	Business Matching and Individual Meetings	Moderated by Ms. Haruka Aoki, OECC
