

**First official JCM event hosted by both governments!!**

# India-Japan Public-Private Business and Investment Forum on the JCM

- In August 2025, India and Japan have launched Joint Crediting Mechanism (JCM), bilateral framework to promote decarbonization project investments using carbon credits incentives.
- MOEFCC(Ministry of Environment, Forestry and Climate Change, India) and MOEJ(Ministry of Environment, Japan) will co-organize the official publicity event providing latest information on the scheme and potential projects and technologies under JCM. You can also join exclusive business matchmaking sessions.
