

# Keynote Speech

Kazuhisa KOAKUTSU, Director

Paris Agreement Article 6  
Implementation Partnership Center

# **We need to learn from the past and existing experience of carbon market**

- ✓ Leading international carbon market and 20 years of experience
- ✓ Both India and Japan as active players of carbon market
- ✓ Carbon market can work in practice with robust regulatory framework and environmental integrity

# **New role and context of international carbon market under the Paris Agreement**

- ✓ NDC achievement and Enhancement of NDC towards net zero goal
- ✓ Japan has NDC3.0 and JCM 200 million by 2040
- ✓ India has 6.2 eligibility criteria that contributes to NDC implementation and enhancement
- ✓ Demonstration of how the carbon market can work in a way to support both country's NDC while stimulating private sector's investment.

# **India and Japan JCM should demonstrate through concrete projects for mitigation actions**

- ✓ JCM discussion was accelerated after the adoption of Article 6 rule in 2021 and materialized Aug. 7, 2025
- ✓ Today is an important day to start our JCM endeavor.
- ✓ JCM and Article 6 requires strong public and private partnership where government develop robust rules and framework where private sector can develop new projects and make investment decision

# Let's Work Together
