1. **Opening and Welcome Remarks** (15:45 – 16:00)

Representatives from the Ministry of the Environment, Japan (MOEJ) and the A6IP Center will open the session and welcome participants.

2. **Session I: Strategic Framing and Purpose of the Assembly** (16:00-16:05)

Mr. KOAKUTSU Kazuhisa, Programme Director of IGES and Director of the A6IP Center, will introduce the session by outlining:

- The strategic objectives of the A6IP General Assembly at COP30
- The importance of showcasing progress under the **Joint Crediting Mechanism (JCM)** and broader Article 6 implementation
- Highlights from Business Forums and Matching Sessions held in **Viet Nam, Indonesia, and India**
- Notable milestones such as **Palau's timely submission of its Article 6 Initial Report**
- Institutional support and system development efforts in **Uzbekistan** through A6IP collaboration
- Regional expansion plans in **Africa** in partnership with **UNIDO**

3. **Session II: Country and Organization Updates on Article 6 Implementation** (16:05 – 16:35)

Partner countries and organizations will share brief updates on their Article 6 implementation experiences, including progress made under the **JCM**, challenges faced, and lessons learned.

Speakers include:

- **Viet Nam:** Reflections on Business Forum outcomes and JCM readiness
- **Indonesia (KLH):** Update on institutional arrangements and stakeholder engagement under JCM, including MRA
- **India (MOEFCC):** Insights from the Matching Session and national Article 6 strategy
- **Palau:** Experience in preparing and submitting the Article 6 Initial Report
- **Maldives:** Experience in preparing and submitting the Article 6 Initial Report and future plans
- **UNDP Uzbekistan:** Support for system development and implementation planning under A6IP

4. **Session III: Looking Ahead – Toward NDC3.0 and COP31** (16:35 – 16:55)

A forward-looking discussion on how A6IP can support partner countries in aligning Article 6 implementation with their next NDC cycle.

Speakers include:

- **UNIDO:** Perspectives on regional collaboration and capacity building in Africa
- **IETA:** Reflections from the private sector on enabling Article 6 market engagement and opportunities for JCM-linked cooperation
- **Open floor:** Strategic priorities and suggestions from A6IP partners toward COP31

5. **Closing Remarks** (16:55 – 17:00)

Summary of key messages and next steps by MOEJ.
